SUN 'N LAKE  
A GOLF COMMUNITY

## MISSION and VISION STATEMENT

---

The mission statement is a general description of why the District exists. A good mission statement is clear, concise and easily remembered by all. The mission statement is reviewed periodically to ensure it remains an accurate reflection of the District's key role within the community.

### Mission

*Sun 'n Lake of Sebring Improvement District is a self-governing, financially sound community providing protection, governmental services and recreational facilities for its residents.*

---

While the mission statement describes why the District exists, the vision statement describes how the District wishes to be viewed within the community. A good vision statement will serve as a guide for continuous self-improvement.

### Vision

*To continue to provide a safe, affordable and friendly community serving all ages.*
